

away at the age of 92 on September 18th, 2016.

Robert, a World War II flight engineer and tailgunner on B-24 bombers, chose to devote his life to education after serving his nation. He received his bachelor's degree from Davidson College and his master's in education administration from William & Mary. His first teaching experience came as a high school teacher in Georgia before he moved north to Virginia to continue his career. His time in education culminated with serving 19 years as the superintendent of schools in Loudoun County.

Coming from a family of educators, I appreciate the invaluable role that educators play in inspiring our students. Robert's long career in education allowed him to touch countless minds and aid them in pursuing their dreams. Furthermore, because of his success as superintendent, his legacy will continue to have an impact on young men and women in Loudoun County for many years to come.

Robert will be sincerely missed by all those who had the pleasure of knowing him both on a personal and a professional level. I know that he has impacted many in his life, and we are all grateful for having known him. He is survived by his wife, Elinor; their daughter, Karen Broadus, his grandchildren Aaron, Anna, Jessica and Eliza, and his six great-grandchildren.

Mr. Speaker, I ask that my colleagues join me in celebrating the life of, and bidding farewell to, Robert Butt. May he rest in peace, and his family be comforted.

HONORING JUNE BLACK FOR TWENTY YEARS OF SERVICE TO THE HOUSE OF REPRESENTATIVES

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Ms. TSONGAS. Mr. Speaker, I rise today to recognize my District Director, June Black, who has been a steadfast member of my district staff for the past nine years.

Tomorrow marks June's 20th year in public service, having spent 9 years working in my office, and 11 years working for Marty Meehan, who previously represented this district.

In 2007, June was nominated by then-Congressman Marty Meehan for the 2007 Congressman John Joseph Moakley Award for Exemplary Public Service, which she won thanks to her years of dedication and service. The award is presented annually to a staff member from the New England congressional delegation "who works steadfastly on behalf of local constituents and significant issues and demonstrates the ideals of public service exemplified by Congressman Moakley himself."

Since she joined my office at the end of 2007, June has served with skill in a variety of roles as a member of my Congressional staff and a dedicated public servant. June joined my staff as regional director and ran my office in Lawrence, Massachusetts, a similar role to the one she held in Rep. Meehan's office. She also served as a guide and mentor to all of the caseworkers and economic development staff in the office. In recognition of her remarkable contributions and the relationships she has developed across the district, June subsequently has taken on the roles of Constituent Services Director and District Director where she has helped to ensure that constituents are well served and that the companies and communities I represent have an accessible federal partner.

June has been key to ensuring that accessibility to the people we represent is a hallmark of my office and that we provide prompt, respectful and excellent service to our constituents. During her tenure, she has overseen a casework operation that has responded to thousands of individual concerns and delivered millions of dollars back to my constituents, and she has played a principal role in helping the communities I represent see their economic development vision realized. She is an effective and knowledgeable federal liaison who helps constituents and communities better navigate and access the wide array of services provided by the federal government.

June is well-known and very well respected in the communities she represents; a reputation that is well earned after two decades of service to this region. That service and experience brings institutional knowledge, awareness and appreciation of the social and economic challenges facing our constituents. It also gives her a unique understanding of how to navigate federal services and long-standing familiarity of many of the district's economic development projects. She has deep and meaningful relationships with key stakeholders and elected officials throughout Essex County in the Northern part of my district and beyond.

As a native of Lawrence, Massachusetts, June's affinity for this region is evident in her commitment to her work and the mutual respect she shares with the constituents and community leaders with whom she interacts. She is someone who has dedicated her career to public service, particularly to having an impact on the city of Lawrence, and helping that city realize its potential.

Every day, June demonstrates a sincere commitment to the constituents of this district as well as to innovative methods of serving her community and our country. I am honored to have her on my staff and appreciate the opportunity to recognize a truly remarkable member of my staff, whose individual achievements are so deserving, on this notable milestone.

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Jim Amdor of Corning, Iowa, for being selected as Adams County's 2016 inductee into the Iowa 4-H Hall of Fame.

Jim has been involved with 4-H since becoming a member of the Adams County Jasper Specialists in the 1950s. His family has a long history of volunteering with 4-H and Jim has carried on that family tradition well. The commitment that Jim has shown young people involved in 4-H is unparalleled. The entire 4-H organization is lucky to have someone of Jim's caliber inducted into their hall of fame.

Mr. Speaker, Jim's efforts embody the Iowa spirit and I am honored to represent him in the United States Congress. I ask that all of my colleagues in the United States House of Representatives join me in congratulating Jim for his achievements and wish him nothing but continued success.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, today I rise to congratulate the students, parents, and faculty of Cedar Hill Collegiate for their commitment to science, technology, engineering, and mathematics enrichment, and for participating in my annual Science and Technology Braintrust.

We must continue to invest in schools that highlight a STEM education, so that all students will have an opportunity to one day be an astrophysicist, doctor, engineer, or a geologist.

Mr. Speaker, Cedar Hill Collegiate is a true advocate of STEM education and deserves recognition for its work. With great pride I can say that because of this school's commitment to STEM education, our country's youth is gaining the skills needed to compete in a rapidly globalizing world.
